Kapitan statku patrzy przez swoją lornetkę i szuka kolejnego miejsca na mapie... Spójrz na mapę i zaznacz którego widoku szuka kapitan.

Znajdźmy pary!

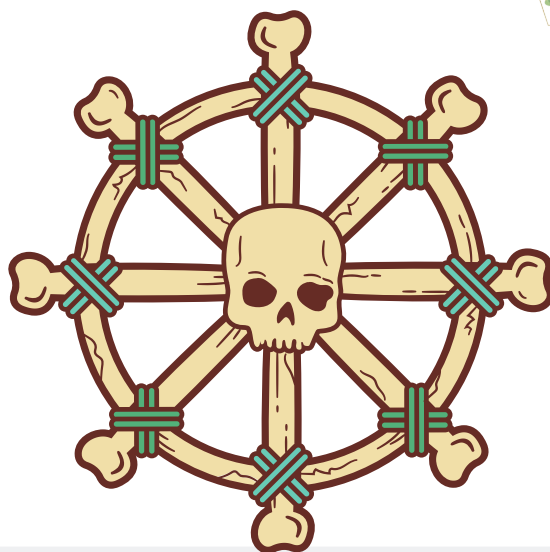

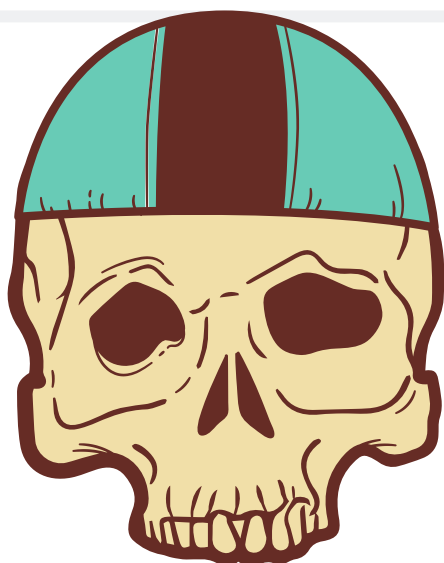

Podróż w morze nie może odbyć się bez kompasu! To on wyznacza stronę w którą ma płynąć statek. Pamiętaj, że północ (kółko kompasu) musi być zawsze skierowane do góry. Prześledźmy razem mapę i zobaczymy w które strony płynie nasz kapitan.
